The Perfect Moment

christmas eve hospitality

Join us in hospitality this season as we host Christmas Eve Candlelight Gatherings! Both the First Impressions team and Kid's Ministry could use an extra hand this year. We are looking for some extra greeters, ushers, and childcare help for any of the three gatherings (4p, 5:30p, and 7p). If you are able to help, sign up at the Information Center!

christmas eve tickets available

Tickets are now available for our Christmas Eve Candlelight Gatherings. There will be carolers in the lobby, Christmas goodies, a Christmas photo booth and plenty of Christmas music!

You will not need the ticket to come but it helps us know how many to plan for. If you already know which gathering you would like to attend, 4p, 5:30p or 7p please grab a ticket on your way out today! The 4p service looks like it's going to be the fullest - if you are at all able, please plan to attend a later gathering!

women's ministry survey

Attention ladies of Eastridge: In an effort to serve you better, we'd love it if you'd fill out a survey about what kinds of things you're looking for in Women's Ministry. There are survey copies at the Information Center. You can pick one up today and bring it back by January 3rd.

rest stop update

The Rest Stop for our local police, paramedics, and firefighters has been a huge success! We'll continue to update you on what the rest stop needs to keep making the space a pleasant rest for our community servants.

Currently, our top needs are individually wrapped snacks (ex mixed nuts, granola bars, nut bars, etc) as well as treats (candy, cookies, etc). We also always except donations of water bottles, sports drinks, K-Cups!

All donations can be dropped off in the green bin marked "Rest Stop Donations" just inside the office door. Donations receipts are also in the bin for you to take. If you have any questions, please email Heidi Winter at hgwinter@gmail.com
